USA and its subsidiaries worldwide who are proven and reputed manufacturer (Thermo Fisher Scientific Phadia Products) having factories at Sweden. We are importers and suppliers of Phadia 250 system and Reagents/ ImmunoCAP (Allergens) & EIA (Autoimmunity) range of products manufactured by Phadia AB, Sweden (a part of Thermo Fisher Scientific) having factory at Units Repsgatan 7P, 754 50 Uppsala, Sweden, hereby authorize,

M/s MANVY PHARMA

Unit # 30/48, D.S.I.D.C COMPLEX OPP.POLICE STATION, NEAR POCKET-II MAYUR VIHAR -I DELHI -110091, India

To quote, raise the invoice and supply of Phadia 250 System and Reagent/ ImmunoCAP (Allergen) & EIA (Autoimmunity) range of products as our distributor

Channel Partner is required to comply with all the Applicable Laws, Terms and Conditions, applicable Regulation and Company Policies. Channel Partner shall apply for any preference under the MSE Clause as per his status and Certification.

The Authorized Distributor is liable to comply with all applicable laws including foreign laws, regulations, Terms and Conditions and policies of Thermo Fisher Scientific Inc. and its affiliates in case of any claims, losses, penalties, litigation fees, damages caused by breach of the terms of this letter of Distribution Agreement. The Above said authorized Distributor shall apply for any preference under the MSE Clause as per his status and Certification. The Products are imported and no local content from India has been used in manufacturing and this product manufactured in Europe.

Authorized Distributor acknowledges that the provision by Company of products (including components and spare parts), software, services (including training services), technology or intellectual property, including technical information supplied by Company or contained in documents (collectively "Items") is subject to applicable export controls of the U.S. government and other jurisdictions, including but not limited to the European Union. These controls may require Company, or Authorized Distributor to first obtain a license (or similar requirement) from the relevant authority or regulatory body. Company shall not be liable if Authorized Distributor or any delay or failure to obtain the necessary licenses or approvals. Authorized Distributor shall comply with all applicable export laws and regulations. Authorized Distributor shall not, without first obtaining from the relevant authority or regulatory body any license required to do so, sell, buy, export or re-export an Item (either directly or indirectly) to: (i) any restricted or embargoed country or any person or organization whose privilege to participate in exports has been denied or restricted by the applicable authority; or (ii) any person or organization who is involved in improper development or use of nuclear weapons, or of chemical/biological weapons (CBW) or missiles, or in terrorist activities. Authorized Distributor agrees not to use any supplied Item in restricted or prohibited activities, such as nuclear explosives, unsafeguarded nuclear activities, chemical or biological weapons development, restricted nuclear systems, or military purchases. Authorized Distributor will, on request: (a) promptly provide written information correctly identifying the end user and end use of any Items (including any information that may relate to a subsequent transfer of such Items by Authorized Distributor); and (b) cooperate fully with Company in any official or unofficial audit or inspection arising in respect of the Items under applicable export or import control laws or regulations. Authorized Distributor will ensure that the customer's end users are aware of the provisions of this Section and Authorized Distributor will ensure that the customer's end users are aware of the provisions of this Section and Authorized Distributor shall indemnify and hold Company harmless from any and all claims, damages, liabilities or costs incurred by Company in connection with the violation of this Section by Authorized Distributor or its employees, consultants, agents and/or representatives. In addition, failure of Authorized Distributor to comply with this Section shall be a material breach of this Agreement and shall entitle Company to immediately terminate this Agreement. Company shall be entitled to terminate this Agreement without prior notice if such termination is necessary in order to comply with applicable export laws and regulations.

All offers related to the Products are subject to factory standard terms and conditions.

This authorization is valid till 31st December 2026 or unless notified otherwise from Thermo Fisher Scientific India Pvt. Ltd

For Thermo Fisher Scientific India Private Limited
